RE: Eisenberg Fill Site

Dear Mr. Clayton:

A copy of the February 1996 Work Plan, prepared by your consultant, Browning & Associates, for the Leo Eisenberg site in North Kansas City, Missouri, has been received by this office. The document has been forwarded to Mr. Jim Belcher, Chief of the Voluntary Cleanup Program.

Review of the document will necessitate your participation in the Voluntary Cleanup Program. Without your participation, we cannot concur or address issues on your contractor's work performance, submitted plans, or proposed actions, nor can we guarantee adequate work performance. Once an application is received concerning your participation in the Voluntary Cleanup Program, staff will be assigned to begin review.

If you need an application to participate in the Program, please contact Mr. Jim Belcher, at (573) 526-2735. I may be reached at (573) 751-3176.

Sincerely,

HAZARDOUS WASTE PROGRAM
